4. Products covered (HS or CCCN where applicable, otherwise national tariff heading. ICS numbers may be provided in addition, where applicable): Children's drinking equipment (HS code(s): 3923; 3924; 401410; 70134); (ICS code(s): 97.190)
5. Title, number of pages and language(s) of the notified document: SI 14350 - Child care articles – Drinking equipment – Safety requirements and test methods; (7 page(s), in Hebrew), (82 page(s), in English)
6. Description of content: Revision of the Mandatory Standards SI 5817 parts 1 and 2, dealing with children's drinking equipment, will be replaced with SI 14350. This draft standard revision adopts the European Standard EN 14350: June 2020, with a few changes as detailed in the standard's Hebrew section. The major differences between the old version and this new revised draft standard are as follows: <ul style="list-style-type: none">• Combines the two old standards' parts into one new standard;• Applies to drinking equipment for children under the age of 4, while its previous editions applied to drinking equipment for children under the age of 3;• Adds new definitions and mechanical and chemical tests. Both the old standards and this new revised standard will apply from entry into force of this revision for eight months. During this time, products may be tested according to the old or the new revised standard.
7. Objective and rationale, including the nature of urgent problems where applicable: Protection of human health or safety; Harmonization; Reducing trade barriers and facilitating trade

8. Relevant documents:

- Israel Mandatory Standard SI 5817 part 1 (March 2008);
- Israel Mandatory Standard SI 5817 part 2 (March 2008) and Amendment 1 (September 2014);
- European Standard EN 14350: June 2020.

G/TBT/N/ISR/1251

9. Proposed date of adoption: To be determined

Proposed date of entry into force: To be determined Both the old standards and this new revised standard will apply from entry into force of this revision for eight months. During this time, products may be tested according to the old or the new revised standard.

10. Final date for comments: 60 days from notification

11. Texts available from: National enquiry point [] or address, telephone and fax numbers and email and website addresses, if available, of other body:
